

Zeigler® Flamingo Breeder

Product Description

Zeigler® Flamingo Breeder diet is formulated as a completely balanced diet for breeding Flamingos and similar species of birds. This diet supplies all needed nutrients as identified by leading zoo nutritionists. In addition, the formula is standardized to contain fixed quantities of the highest quality raw ingredients. The diet contains Krill and Spirulina as sources of essential fatty acids and carotenoid pigments which enhance palatability and pigmentation.

Feeding Suggestions

Flamingo Breeder diet is a completely balanced diet designed to replace shrimp or other fish to promote breeding and longevity of Flamingos. We recommend feeding this diet 90 days prior to egg laying and throughout the breeding season in order to assure that the birds are receiving extra nutrients. To enhance the intensity of feather and leg pigmentation, coloring agents such as Canthaxanthin have been added. This diet may be moistened with warm water prior to feeding. Please keep in mind not to moisten any more than will be consumed in a twelve hour period. Fresh water should be available at all times.

Guaranteed Analysis

Crude Protein	Minimum	28.0%	Crude Fat	Minimum	5.0%
Crude Fiber	Maximum	5.0%	Ash	Maximum	12.0%

Size

5/32" (4 mm) diameter, 5/32" to 3/8" long (4 mm to 9.5 mm long)

Package

50 lb., 3-ply paper bags

Ingredients

Ground Corn, Wheat Flour, Soybean Meal, Shrimp Meal, Corn Gluten Meal, Fish Meal, Lecithin, Alfalfa Meal, Krill Meal, Spirulina, Dicalcium Phosphate, Bentonite, Sorbitol, dl-Methionine, Magnesium Oxide, Manganese Sulfate, Ferrous Sulfate, Copper Sulfate, Cobalt Carbonate, Potassium Iodide, Choline Chloride, Niacin, Zinc Oxide, dl-Alpha Tocopheryl Acetate (Source of Vitamin E), Vitamin A Acetate, d-Calcium Pantothenic Acid, Biotin, Menadione Dimethylpyrimidinol Bisulphite (Source of Vitamin K), Riboflavin, Pyridoxine, D-Activated Animal Sterol (Source of Vitamin D), Thiamine Mononitrate, Vitamin B12 Supplement, Folic Acid, Ascorbyl Polyphosphate (source of Vitamin C), Sodium Selenite, Calcium Propionate, Artificial Flavors, and Canthaxanthin (Pigmenting Agent).
