

Koi Fancier

Color-Enhancing Diet for Koi & Goldfish

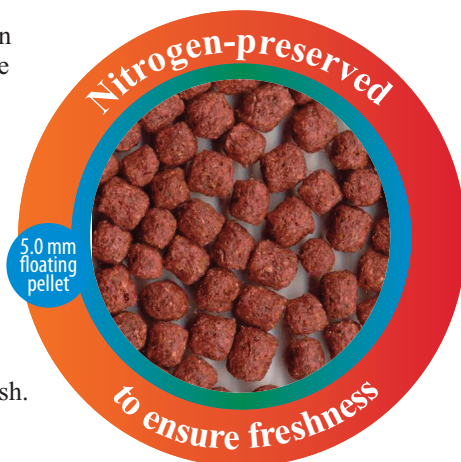

Product Description

Zeigler® Koi Fancier contains spirulina and other natural marine ingredients to enhance the vibrant colors of your fish. The diet is formulated with stable vitamin C and brewers yeast to help improve immune function and promote healthy tissue development. Higher levels of marine protein sources are incorporated to maximize palatability and digestibility. **Koi Fancier** is also supplemented with **Vpak™**, an all-natural additive, to help increase resistance to diseases. As with all Zeigler diets, **Koi Fancier** is manufactured according to ISO-9001 guidelines.

Features & Benefits

- ✓ Fortified with Spirulina and other natural marine ingredients to enhance coloration
- ✓ Contains stable Vitamin C & Brewers Yeast to promote healthy fin, gill, and tissue development
- ✓ Utilizes optimal nutrient densities to help assure adequate nutrition
- ✓ Formulated for high palatability and digestibility to minimize excreted waste
- ✓ Now contains **Vpak™** (**Vitality Pak**) an all-natural, nutritional feed supplement, designed to improve overall fish health and resistance to disease
- ✓ Excellent floatability and water stability...does not cloud the water
- ✓ Nitrogen preserved to improve shelf-life and freshness

Product Application

Feed as the sole diet 1 to 3 times daily. No supplementation is necessary for healthy fish. Feed freely; only as much as the fish will consume in 5 minutes of feeding.

Product Specifications

Particle Size: 5.0 mm floating pellet
Packaging: 20 oz. canister; 5 lb. pouch; 33 lb. 3-ply paper bag
Storage: To maximize shelf-life and maintain nutritive value, keep stored in a closed container in a cool, dry place away from sunlight.

Guaranteed Analysis

Protein	Minimum	30.0%
Fat	Minimum	5.0%
Fiber	Maximum	3.5%
Moisture	Maximum	12.0%
Ascorbic Acid (Vit. C) Minimum		175mg/kg
