

Zeigler® Avian Breeder

Product Description

Zeigler® Avian Breeder diet is formulated as a completely balanced diet for feeding birds, including waterfowl, pheasants and other species, during the breeding season. This diet supplies all needed nutrients as identified by leading avian and zoo nutritionists. In addition, the formula is standardized to contain fixed quantities of the highest quality raw ingredients.

Feeding Suggestions

Avian Breeder diet should be fed free choice as the total diet; no supplementation is required for normal healthy birds. As a guide, most birds will consume the equivalent of one-fifth of their body weight per day. However, feeding requirements will vary depending on species, environment, level of activity and stress factors. Fresh water and grit should be available at all times.

Guaranteed Analysis

Crude Protein	Minimum	18.0%	Crude Fat	Minimum	2.5%
Crude Fiber	Maximum	5.0%	Ash	Maximum	7.0%

Size

5/32" diameter, 1/4" long

Package

50 lb., 3-ply paper bags

Ingredients

Ground Corn, Ground Wheat, Soybean Meal, Poultry Meal, Limestone, Dehydrated Alfalfa Meal, Fish Meal, Corn Distillers Grains and Solubles, Dried Whey, Dicalcium Phosphate, Salt, Choline Chloride, dl-Methionine, dl-Alpha Tocopheryl Acetate (Source of Vitamin E), Niacin, Biotin, d-Calcium Pantothenic Acid, Riboflavin, Vitamin A Acetate, Vitamin B12 Supplement, Pyridoxine Hydrochloride, Thiamine Mononitrate, Menadione Dimethylpyrimidinol Bisulfphite (Vitamin K Activity), D-Activated Animal Sterol (Source of Vitamin D3), Folic Acid, Ferrous Sulfate, Manganese Oxide, Zinc Oxide, Cupric Sulfate, Potassium Iodide, Sodium Selenite.
