

Zeigler® Browser Diet

Product Description

Zeigler® Browser Diet is designed as a complete diet for use in feeding browsing animals like deer, giraffes, dama gazelles, dik-diks, etc. This diet supplies all needed nutrients as identified by zoo nutritionists. In addition, the formula is standardized to contain fixed quantities of the highest quality raw ingredients.

Feeding Suggestions

Browser diet should be fed free choice as the total diet. To fill the bulk, alfalfa hay or timothy hay may be offered on a daily basis. Feeding requirements of these animals will vary depending on the species, environment, level of activity and stress factors. Fresh water should be available at all times.

Guaranteed Analysis

Crude Protein	Minimum	20.0%	Crude Fat	Minimum	5.0%
Crude Fiber	Maximum	15.0%	Ash	Maximum	8.0%

Size

3/16" Pellet

Package

50 lb., 3-ply paper bags
