

Zeigler® Crane Starter

Product Description

Zeigler® Crane Diets are formulated as completely balanced diets for cranes (Whooping and Sandhill Cranes). These diets supply all needed nutrients as identified by leading avian nutritionists. In addition, the formulas are standardized to contain fixed quantities of the highest quality raw ingredients. Fed at National Zoological Parks and USDI Patuxent Wildlife Research Center. Crane Starter Diet is for cranes from day old to six (6) weeks of age.

Feeding Suggestions

Crane Starter should be fed free choice as the total diet; no supplementation is necessary for normal healthy birds. If the birds go off feed, feeding small fish for a few days would help. As a guide, most birds will consume the equivalent of one-fifth of their body weight per day. However, feeding requirements will vary depending on species, environment, level of activity and stress factors. Fresh water should be available at all times.

Guaranteed Analysis

Crude Protein	Minimum	24.0%	Crude Fat	Minimum	5.0%
Crude Fiber	Maximum	6.0%	Ash	Maximum	7.0%

Size

5/32" diameter, 1/4" long

Package

50 lb., 3-ply paper bags

Ingredients

Ground Corn, Soybean Meal, Ground Oats, Wheat Middlings, Fish Meal, Distiller Dried Grains with Solubles, Alfalfa Meal Dehydrated, Poultry By-Product Meal, Brewers Yeast, Dried Whey, Soy Lecithin, Dicalcium Phosphate, Limestone, Calcium Propionate, Manganese Sulfate, Zinc Sulfate, Ferrous Sulfate, Inositol, Salt, dl-Alpha Tocopheryl Acetate (Source of Vitamin E), Niacin, Biotin, p-Aminobenzoic Acid, d-Calcium Pantothenate, Copper Sulfate, Vitamin A Acetate, Sodium Molybdate, Thiamine Mononitrate, Pyridoxine Hydrochloride, Menadione Sodium Bisulfite Complex (Vitamin K Activity), Vitamin B12 Supplement, Vitamin D3 Supplement, Folic Acid, Cobalt Carbonate, Sodium Selenite, Choline Chloride.
