

Zeigler® Sheep and Goat Nibbles

Product Description

Zeigler® Sheep and Goat Nibbles is formulated specifically for facilities that maintain petting zoos, allowing the general public to feed treats to various species of ungulates. This diet is used as a low-protein alternative so that animals fed in petting zoo areas do not consume excessive amounts of concentrated feed.

Features and Benefits

- ✓ Low-protein concentration to help prevent over feeding.
- ✓ Highly palatable and easy to feed.
- ✓ Manufactured in Drug-Free Facility utilizing ISO-9001:2000 Quality Management Guidelines

Feeding Suggestions

This diet can be provided to the general public entering petting zoo areas. This diet is not a complete feed and intake should be monitored so that an appropriate amount of concentrate is consumed on a daily basis.
